### ABOUT ME

Looking for a remote full time job or contract work/c2c as a Full stack developer with focus mostly on Front-end. I am a highly self-motivated individual, dedicated and detail-oriented. Over the past years I have done remote projects for clients inside a Digital agency, consulted and done training for a startup, and collaborated with talented people to create digital products for both business and consumer use.

### EXPERIENCE

#### MASTERMIND.COM FULL STACK DEVELOPER

DEC 2022 - FEBRUARY 2023

- Work on two web applications. E-learning platform and payment gateway.

#### MUTLIGLE, LLC

OCT 2020 - PRESENT

- Founder of a digital agency tailored to Hispanic churches for website and app development. Have successfully launched various churches online.

#### REDIFY, INC CTO/SENIOR WEB DEVELOPER

AUG 2021 - JAN 2023

- Startup opportunity where I work on React Native app, website, social media and provided training.
- App launched successfully on App Store in 2021.

#### DREW ROBERTS DIGITAL FULL STACK DEVELOPER

SEP 2019 - NOV 2022

- Remote contract work for clients utilizing technologies like React, Next, Gatsby, Node, PHP, WordPress, and Laravel.
- E-commerce platforms and landing pages

#### DOMINION ENERGY NETWORK PROGRAMMER ANALYST
